Nathan S. Cotton : Breads, Pastries, Pies and Cakes: Quantity Baking Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised Breads, Pastries, Pies and Cakes: Quantity Baking Recipes:

Now a professional baker offers you a selection of close to 300 imaginative and inspiring quantity recipes for everything from bagels and biscuits, to danishes, cream puffs, and coconut pie. You'll learn how to make such popular favorites as apple pie, hot cross buns, icebox cookies, and shortbread -- plus a few more unusual delights like rugalach, orange fluff pie, and rainbow layer cookies! Emphasis is on economy, quality, and eye-catching results. Tables of recipe variations, special tips to ensure perfection, a summary of bakers' terms, and a thorough appendix make this an outstanding volume for the professional and amateur alike.
