Andrew Lauder : Brew Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised Brew Journal:

Designed by Home Brewers FOR Home Brewers! Keep your home brew recipes safe with this new Home Brew Journal designed to keep up to 30 of your favourite beer recipes. You'll find inside all the space required to log all the important details of your next ale, lager, stout, porter, witbier, IPA, along with a full HOPS guide at the back of the book listing all hop varieties and their characteristics. Treat yourself, friend, or family member to this wonderful new

journal offering all the best parts of the more expensive journals... but for almost half the price of some!
