George Scamell, Frederick Colyer : Breweries and Maltings: Their Arrangement, Construction, Machinery, and Plant before purchasing it in order to gage whether or not it would be worth my time, and all praised Breweries and Maltings: Their Arrangement, Construction, Machinery, and Plant:

0 of 3 people found the following review helpful. Five StarsBy 30 years in the bizgreat

Considerations in the construction of a brewery are given voice here in detail; they include: site selection, wells and water, engines and boilers, machinery, malt mills, conveyers, mash tuns, pumping apparatus, hoppers, coolers,

refrigerators, fermenting tuns, hop and yeast presses, cooperage and more. This is a reprint. Originally published in 1880.
