can be a little cheesy. They are designed as if they are targeted for a non brewer to purchase as a gift for their brewing friend. The Brewer's Ledger includes ample room to make notes about everything and anything a serious home brewer or even pro would like to record for consistent, repeatable recipes. There is space for the common things such as basic ingredients, additions, gravity readings and the such to water profiles, yeast starters and so much more. The coolest feature is these ledgers are available in different colors as multiple volumes as you fill each one up. The only request I have to make it a five star is I wish it was in hardcover. After a few brew sessions and hanging around the grain mill, sparge and boil kettle, it is looking used. I usually appreciate a well used book; however, water and soft covers don't perfectly mix....1 of 1 people found the following review helpful. One StarBy Don J.Only reason for 18 recipes0 of 0 people found the following review helpful. Very detailed ledger! Great quality!By CCThis ledger is more than I expected! Since I couldn't see what the pages looked like when ordering, I was pleasantly surprised at how organized and detailed this ledger is. We are so excited to start this brewing adventure!

The secret to brewing great beer is to keep consistent, comprehensive notes. Brewers'squo; Ledger is the simple and intuitive way to keep complete and clear brewing records right from your very first brew. MORE THAN A RECIPE BOOK.
