Carmen Schott : Brewing and baking with wild yeasts: adventures in traditional fermentation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brewing and baking with wild

yeasts: adventures in traditional fermentation:

Many people are mystified by wild yeasts and natural fermentation. We forget that we have been there before. That's how our favourite beverages and preferred foods have been made for thousands of years. The author ventured out there and rediscovered an almost forgotten art.
