Ed Sipos : Brewing Arizona: A Century of Beer in the Grand Canyon State before purchasing it in order to gage whether or not it would be worth my time, and all praised Brewing Arizona: A Century of Beer in the Grand Canyon State:

0 of 0 people found the following review helpful. Love IT!!!By Sam BowlesI have been waiting for this book to be published since I first read about it in 2007! If you like beer and Arizona it is fabulous. It would still be a great book, even if you are not from Arizona.1 of 2 people found the following review helpful. Excellent BookBy Tim EhrhardtGreat book. Lots of really neat photos and information on Arizona brewing history. It definitely surpassed my already high expectations.0 of 1 people found the following review helpful. however the bindery on the book is poor. I had to replace it three times before ...By Jennifer O'ConnorYes, however the bindery on the book is poor. I had to replace it three times before I received one that didn't get damaged in shipping.

“Sergeant... there is a brewery here!” shouted Private Lutje into the tent of his commanding officer. His regiment had just set up camp outside of Tucson. It was spring. The year was 1866. And the good private had reason to be shocked. How could anyone brew beer in the desert? The water was alkaline (when it was fit to drink at all), grains were scarce, bottles were in short supply, and refrigeration was nearly non-existent. But human ingenuity cannot be overestimated, especially when it comes to creating alcoholic beverages. Since 1864, the state’s breweries have had a history as colorful as the state. With an eye like a historian, the good taste of a connoisseur, and the tenacity of a dedicated

collector, author Ed Sipos serves up beer history with gusto. *Brewing Arizona* is the first book of Arizona beer. It includes every brewery known to have operated in the state, from the first to the latest, from crude brews to craft brews, from mass beer to microbrews. This eye-opening chronicle is encyclopedic in scope but smooth in its delivery. Like a fine beer, the contents are deep and rich, with a little froth on top. With more than 250 photographs—200 in full color—*Brewing Arizona* is as beautiful as it is tasty. So put up your feet, grab a cold one, and sip to your heart's delight.

"Sipos' new book serves up Arizona's beer history with gusto. This book is an absolute must for any beer lover based in the Grand Canyon State and its environs."—[AmericanCraftBeer.com](#) "Painstakingly researched and accompanied by about 250 photographs, this book belongs on the shelf of any beer brewer or enthusiast—or anyone interested in Arizona's story-worthy history."—[Edible Baja Arizona](#)
