M.D. Robert A. Musson : Brewing Beer In The Glass City, Volume 1-The Buckeye Story before purchasing it in order to gage whether or not it would be worth my time, and all praised Brewing Beer In The Glass City, Volume 1-The Buckeye Story:

0 of 0 people found the following review helpful. Four StarsBy Dawn M PleimanGreat overview and pictures of local brew history! Great gift for Father and Husband!!

Part of the Brewing Beer In The Buckeye State series, Brewing Beer In The Glass City, Volume 1 gives a pictorial history of the Buckeye Brewing Company of Toledo, Ohio. 56 pages in length, the book contains 300+ images, most of which are in color, showing people, buildings, floor plans, advertising, labels, cans, and you name it! Explore the history of more than 130 years of brewing by the Buckeye Company, one of the most popular brands in the country with collectors. The history also includes the company's takeover by Meister-Brau of Chicago in 1966, and that

company's subsequent rise and fall. Part of Meister Brau's history includes the origin of what is one of America's most popular beers today: Miller Lite Beer. Also stay tuned for Volume 2 of this series, to be released in March 2011, which will cover the rest of Toledo, including the Huebner, Koerber, and Maumee Bay breweries!
