**Andy Hamilton : Brewing Britain: The Quest for the Perfect Pint and How to Make It** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brewing Britain: The Quest for the Perfect Pint and How to Make It:

0 of 0 people found the following review helpful. Good field guide for brewer and drinker alikeBy Lu TzeThis is the second book I've read by Andy and I'm very happy with it.I really like his easy going writing style, which often seems as if he's more chatting with you rather that actually writing. Sort of like being at the kitchen table and getting some hints from a mate, before you have a go at whatever yourself.I am a brewer and though I've produced loads of ale, I really wanted to get to grips with some of my favourite English styles and basically do better and know them better. The brewing notes and recipe examples help me to fine tune my brews and have spurred me to try a few new styles.Andy's book gives a great tour of some of the better and lesser known examples of many fine brews, while also

dropping some good solid recipes to try. The results so far have been great, as the latest batch still need conditioning, but a sly tasting has told me, it's on the right track. If you love beer, then this is a great book to read, if only to appreciate the art of brewing a little more. Thank you Mr Hamilton and cheers! 0 of 0 people found the following review helpful. Good choice By Baldrick If you want to brew good beer, this book is a great place to start. Get the paper version though it would make revering backwards and forwards easier. Baldrick

Andy Hamilton travels the length of Britain in a quest to uncover new and unusual beers and to find that elusive perfect pint. When bestselling UK Homebrew author Andy Hamilton began work on his new book, *Brewing Britain*, he embarked on a quest to discover whether there could be a perfect pint in the UK. After two years of (arduous) study of hundreds if not thousands of beers from around the country -- visiting brewers, tasting beer kits and, of course, brewing his own -- he found that in fact there were many perfect pints. Buy *Brewing Britain* and: -Discover lagers that are not loutish, beers that will win over the wine lovers, the ideal temperature for serving ale, and the best glass to drink it from - Experiment with forty recipes from ancient times to the modern day and really get to know your ingredients with an in-depth account of many of the hops and malts available - Hone your tasting skills at sessions in local pubs, breweries and beer festivals near you *Brewing Britain: the essential companion for our beer drinking nation* in its search for that elusive perfect pint.

bull; Discover how to tempt a lager lout off lager, which beer will win over wine lovers, the ideal temperature for serving ale, and the best glass to drink it from bull; Experiment with 40 recipes from ancient times to the modern day, uncovering secret ingredients bull; Hone your tasting skills at sessions in local pubs, breweries and beer festivals near you About the Author ANDY HAMILTON lives in Bristol where he is founder of the Bristol Brewing Circle and runs brewing workshops and an allotment. He forages and regularly takes groups on wild food walks, sharing his extensive knowledge of edible wild foods, plant folklore and herbal medicine. Andy is a co-creator of the hugely successful website: [selfsufficientish.com](http://selfsufficientish.com) and writes a wild drinks blog for [Guardian.co.uk](http://Guardian.co.uk). He also writes a foraging column for *Home Farmer* magazine, writes the brewing and foraging features for the BBC's *Countryfile* magazine and writes features for the *Guardian*, the *Ecologist*, *Tow Path Talk*, *Kitchen Garden* magazine, [selfsufficientish.com](http://selfsufficientish.com) and the New York based website *Civil Eats*. He has also written a survivalist column for [Wired.co.uk](http://Wired.co.uk). He has been a consultant survival/wild food expert for various TV Shows and makes regular TV and Radio appearances both in the UK and abroad on shows which include the BBC's 'Countryfile' and 'Autumnwatch'. Andy is co-author of *The Self-Sufficientish Bible*.
