Dave Line : Brewing British-Style Beers: More Than 100 Thirst-Quenching Pub Recipes to Brew At Home before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brewing British-Style Beers: More Than 100 Thirst-Quenching Pub Recipes to Brew At Home:

5 of 5 people found the following review helpful. dave line pioneerBy bobthis book is a copy of dave lines book

"brewing beers like those you buy". Written in the 70's, it's recipes lack the application of modern ingredients. that said, I have made a lot of the recipes in the previous book and they are fairly accurate, although I have used modern liquid yeast etc.

This book is a must-have for both beginners and experienced brewers looking for great new recipes.

About the Author Dave Line was a British beer author. An electrical engineer by profession, he is regarded as a pioneer in homebrewing as a pioneer in homebrewing during the 1970s because at the time homebrewing as a hobby was in its infancy. He was a regular contributor to Amateur Winemaker, and in a decade, probably had more recipes published than anyone else. He passed away in 1979 at the age of 37.
