2 of 2 people found the following review helpful. Good readBy sidecarA good quality book with helpful information.The recipes offer good ideas. I checked this book out from the library several times and decided to buy it.Good price and fast shipping0 of 0 people found the following review helpful. Five StarsBy Mara MayoGood info1 of 1 people found the following review helpful. Five StarsBy R. WhiteGood information for the beginning or curious brewer.

Get brewing! This foolproof beginner's guide to brewing great beer at home includes everything you need to know to make your very first batch. With step-by-step instructions, insightful advice, and simple recipes for a variety

of beer styles, you'll be proudly sipping your own homemade beer in no time. This revised edition covers additional techniques and equipment, as well as new varieties of hops and other ingredients. Ground yourself in the basics of homebrewing and experiment with new tastes and combinations. It's fun, easy, and oh-so-rewarding!

From the Back Cover Brew Your First Batch Today! It's fun, the beer tastes great, and with the easy-to-follow instructions in *Brewing Made Easy*, it's as simple as picking up an equipment kit and a bag of brewing ingredients and opening to the first chapter. Homebrewing brothers Joe and Dennis Fisher guide you through every step of making your first and second batches, and then they set you free to explore and create. Work your way through the 25 recipes the Fishers provide, or use the charts and tables in chapter 3 to design your own formulations.
