Charity Ferreira : Brittles, Barks, and Bonbons before purchasing it in order to gage whether or not it would be worth my time, and all praised Brittles, Barks, and Bonbons:

Great for gift givingBy Lisa GThis book has recipes from melting chocolate and making bars to more timely recipes, but even the simple ones were great for Christmas gift giving and easy for the novice to prepare. I wrapped the peppermint bark in cellophane decorated bags from the dollar store and got rave reviews. Also made the chocolate marshmallow pecan barks and they were incredible. Next, I want to make chocolate covered pretzels. The hardest part is not eating too much!0 of 0 people found the following review helpful. Five StarsBy DHExactly as described.0 of 0 people found the following review helpful. Some good ideasBy MarcWorth the price. Lots of fun recipes and many ideas that anyone can make at home in your own kitchen.

There are few things more tempting than a dish of fancy candies. But here's a little secretmdash;it's actually quite easy to make these sugary confections at home! Brittles, Barks Bonbons offers a candy recipe for every occasion and is packed with helpful tips on ingredients and equipment. For elegant gift-giving, there are Chai-Spiced Truffles and

Vanilla Sea-Salt Caramels. For movie night with the family, Rocky Road Bark is deliciously addictive. And classic Buttery Almond Toffee is a festive treat for the holidays and perfect for giving. For the ultimate in simple indulgence, there's nothing sweeter than Brittles, Barks Bonbons.
