**Stephanie Brubaker : Brownies, Blondies, and Bars** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brownies, Blondies, and Bars:

3 of 4 people found the following review helpful. Bar cookie bonanza!By BookbabeThis is a great book for the baker who wants that little extra "something something" added to their cookie-bar baking. Yum!2 of 3 people found the following review helpful. PerfectBy MissNewEnglandI have given this book to two young teenage grandchildren interested in cooking, one a boy and one a girl. The directions are clear, the beautiful full-page photos for each recipe show the goal and the results are scrumptious. What more could you ask?1 of 2 people found the following review helpful. You Can Judge this Book by its Cover!By Elane CThe desserts in this book are amazing and delicious. The instructions are very clear and easy to follow. You will love everything you make. I highly recommend this book!

Stephanie Brubaker's scrumptious treats have earned her a spot in the top 10 food bloggers. She has appeared in Cosmopolitan, Ladies Home Journal, Relish, and more. Now she shares all-new recipes for decadent brownies, blondies, and bars that look like they took hours. But they're really so easy and fuss-free, you'll want to make them

every day.
