thing is I thought the starter cakes in the back were a bit difficult for a beginner but that's my opinion. One last thing it tells you what tips to use and how to use them0 of 0 people found the following review helpful. One StarBy CustomerThis is a thin booklet that you'd pick up at the checkout counter at Walmart0 of 0 people found the following review helpful. Five StarsBy mjThis is a fun little book with lots of great tips!

A great beginner's guide to cake decorating
