From simple piped borders and molded pearls to ropes, tassels, flowers, and stars, these cake decorations are absolutely magical! Celebration cakes keep growing in popularity, and food writer and teacher Sue McMahon shows how to use all the latest kitchen gadgets to achieve professional-looking results at home. She covers the whole process, making everything as easy and quick as possible: the very basics of baking, the various icings (buttercream, fondant, royal, and chocolate), and creating stand-out childrenrsquo;s, wedding, and birthday cakes.The delicious possibilities

are almost endless!

About the Author Sue McMahon is Cookery Editor for Woman's Weekly magazine.
