It seems to be a photocopied reproduction. The photos, an integral part of this book, are extremely blurry and very small. Cannot see any detail on the cakes and as it is a book

about cake decorating I should be able to see very clear photos.11 of 13 people found the following review helpful. Needs More RecipesBy KandyThis 10" x 7" paperback is just over 1/4 inch thick and contains large print and large spacing between the lines. The book contains no table of contents, no index, and no page numbers. It contains some basic cake decorating tips and about 17 frosting recipes, 7 of which contain shortening. It also contains 3 rolled fondant recipes, 2 ganache recipes, and 1 recipe each for plastic chocolate, gum paste, and pastillage. Since the title of the book was "Cake Frosting" and the cost was \$24.95, I had expected a greater number of frosting recipes. If I had known how few recipes were in the book, I would have just purchased a cake recipe book instead, as it probably would have contained a similar number of frosting recipes (if not more) and would have had the added bonus of cake recipes (of which "Cake Frosting" has none).0 of 1 people found the following review helpful. Five StarsBy Jerolyn KnightJust as described

Cake Frosting by Karen L. Armstrong is the ultimate guide to cake frosting and cake decoration. This wonderful book is filled with cake frosting recipes, including german cake frosting, wedding cake frosting, carrot cake frosting, royal frosting, coconut frosting, birthday cake frosting, cream cheese cake frosting, butter cream frosting and much more! In addition, Karen L. Armstrong shows you how to master cake decoration and cake decorating with very clear instructions and full color pictures. You will be thrilled with the cake frosting recipes but also the cake decorating ideas, cake decorating tips and other cake decoration advice that Karen supplies to you in every single chapter. This is the perfect book for anyone who loves to make cakes as a hobby. And, it's a wonderful gift for men and women who love to make cakes professionally. If you have started or plan on starting a cake business, then you simply must have "Cake Frosting" by Karen L. Armstrong.
