out all of the holiday season people are searching for the perfect gift. One of those gifts that I love to make are foods in a jar. One of the best ones is cake in a jar. This is a book designed to help you make those wonderful cakes in a jar. There is a neat section that offers 6 reasons that you should make the cakes in a jar. As with anything there are tons of questions that you could have, this book covers a lot of those questions. In this book you will find many recipes that can go in a jar. The recipes are broken into no bake ones, and bake ones. This is a book that is awesome for anyone whom is interested in diy gifts. 2 of 2 people found the following review helpful. Disappointing...By The Inked Butterfly Not a big fan of this at all. It has good instructions but a majority of these cakes are made from disgusting boxed cake mixes and not from scratch. There's also no pictures to have an idea of what the cakes should look like. Wouldn't recommend at all. 1 of 1 people found the following review helpful. Five Stars By Melody Tinker Excellent product!! Great recipes...

If you love making cake, try making your next cake in a canning jar. Baking cakes in a mason jar is a fun way to serve your cake to friends and family members or to give as a gift. Whether you are looking for an inexpensive gift to give or fun dessert to show appreciation for being invited to a friend's house for dinner, consider making cake in a jar. Not only do they make for a pretty presentation, but also cakes in a jar are also easy to transport if your celebration takes you away from home. It's also a great way for you to show your creativity, turning something plain and inexpensive into something beautiful, heartfelt and homemade. This book contains proven recipes and tips on how you can make quick and easy cake in a jar. I will provide you with everything you need to know from tools, ingredients, and recipes to storage. I don't just offer the standard cake recipes, I have a large variety of cake in a jar recipes to choose from.
