Oddly formatted book but recipes look tastyBy _CustomerThis Gooseberry Patch Cookbook is indeed oddly formatted with the Table of Contents located at 369 out of 411 meaning it's probably not at the beginning of the book. This is truly no big deal as you can easily find the TOC by clicking on

the "book" image at the bottom of the iPad and presumably the same with the Kindle. (I use an iPad to read Kindle books). There are a wide variety of recipes using cake mixes as the primary ingredient to help streamline baking. Some of the recipes you will find in this cookbook include: Sugar-Topped Muffins Whipped Topping Pistachio Cake Chocolate Chip Pudding Cake Oatmeal-Raspberry Bars Root Beer Cake Caramel Layer Brownies Make-Your-Own Chocolate Cake Mix in a Jar Recommend with caveats given. 5 of 5 people found the following review helpful. Cute little gooseberry patch book By Serene Night I collect all of Gooseberry Cookbooks, so I love it when Gooseberry Patch releases a free book. These old-fashioned early ones are super cute, and this book is no exception. This book contains 50 easy-peasy recipes for cake and other desserts using cake mix as the main ingredient. I can't wait to try the brown Brown Sugar breakfast rolls, as well as the fantastic looking recipe for Strawberry Angel Roll! This is a great addition to your Gooseberry patch collection, especially if you like making desserts! 2 of 2 people found the following review helpful. One of my favorites By Bonnie I love almost all of the Gooseberry Patch books and whenever I see them for free on Kindle, I immediately download them. This book came to me via a friend's Facebook, and I adore it. It's kind of "Semi-Homemade with Sandra Lee", but it's the original gangster of cake mix cookbooks. I like to bake--- especially cakes, but sometimes I just don't feel like it. This book is so fun because it takes a creative thought (making a cake) and takes the hard part out. The book leaves the fun of decorating and flavoring a cake. All the recipes are easy, and especially ideal for quick desserts, or as recipes to make with kids.
