Bakerella is back with an adorable kit that makes presenting these cute little treats as easy as can be! A colorful booklet contains ten cake pop designs including new projects and old favorites along with step-by-step instructions for the uninitiated. Also included is a cake pop stand to hold cake pops after decorating, and enough clear cello bags, cake pop sticks, gift tags, and ribbon to wrap up 48 pops. This kit is a perfect gift for bakers and crafters alike!
