Perfect Morning Cookbook By Customer I was drooling reading this book on line before ordering it as a gift for a friend. The recipes were simple, especially for breakfast/brunch. Who likes complicated in the morning? I will order one for myself. 0 of 0 people found the following review helpful. Five Stars By jmhenrygreat buy!!!

Warren Brown spreads his CakeLove magic on America's favorite course—breakfast! In CakeLove in the Morning, Warren covers everything: pancakes and French toast, frittatas and omelets, quick breads and cereals, bacon and biscuits. He adds his own trademark twists on classic recipes so you'll soon be making Coconut Waffles with

Bananas Foster topping, Breakfast Lasagna, or Multigrain Rum Raisin Scones. With recipes as delicious as these, you'll never reach for a box of pancake mix again. As always, Warren leaves no cabinet unopened; and covers all the spreads, sauces, and salads that go along with your favorite breakfast and brunch dishes. Praise for *CakeLove in the Morning*: "CakeLove in the Morning is the kind of cookbook that makes it easy to wake up in the morning, filled with all sorts of exciting ideas for A.M. edibles." —*Serious Eats*
