This fun recipe book includes clear instructions for the basic recipes, as well as all the essential techniques and full step-by-step photographs, to guide you through decorating your cakes and cookies and giving them a personality. #128522;

"For those who love to use emojis, and you know who you are, there's a new cookbook that let's you speak emoji via cake. . . The wacky creations take time (some more than others--see the difficulty level assigned to each), but the results are pretty spectacular. Cakemoji thoughtfully provides templates for all the projects, and step-by-step photo instructions on everything from coloring frosting to working with fondant, rendering the whole thing less intimidating

to me." - Seira Wilson, Omnivoracious
