This is an easy read and the instructions are simple. I don't want to recreate every single cake in this book (except for maybe that rainbow cake on the cover!) but this book is inspiring and really gets your creative muses ticking. The first time I flipped through this book, I had so many moments where I would just stop and say to myself "Wow, that's a great idea. I wish I would've thought of that!"If you are looking for a cookbook, this is not for you. Yes, there are some recipes in here, but the majority of this books is about the tools, techniques, tricks, and tips that are necessary for making beautiful cakes.I highly recommend this book!0 of 0 people found the following review helpful. Five StarsBy tabitha nordmanI love this book.Great pictures and ideas.

Whether it's a birthday, wedding, or dinner party, there's no better way to celebrate than with a slice of glorious cake. In *Cakeology*, Juliet Sear shows home bakers how to take your cake-making and decorating to a new level, as she takes you through the step-by-step process to produce a true show-stopper. With a foreword by Buddy Valastro, of *Cake Boss*, this book is crammed with tips and tricks, and features step-by-step photography to guide you at every stage, ensuring these projects can be mastered by everyone. Learn all elements of cake decoration, from making fondant flowers to hand-painting on icing. From the elegant wedding cake with intricate piping design, to the fun burger cake, cookie explosion cake, or Pinata cake (with a surprise centre), Juliet's creations ensure you celebrate in style. With stunning photography and mood shots, this is a fresh, contemporary presentation of cake decoration. Juliet's favorite and most impressive designs are sure to wow at every cake occasion.

"I'm not sure yet which is more impressive, Juliet's decorating skills or how good her cakes taste." -Buddy Valastro, of *CAKE BOSS*
"Juliet's cakes are not only an exquisite vision of fantasy and precision, but a taste explosion of the highest degree." -Fearne Cotton
"...practical as well as beautiful...From equipment to detailed techniques, *Cakeology* will give you cake-decorating ideas for years to come." -Karen Barnes, *DELICIOUS*
