Maybe I thought it was for gluten-free or sugar-free, but it is not. I am sure though with some work, I can convert any that sound interesting. Or I can always

make one for other people (sigh). With over 100 recipes, there are certainly tons of choices. The strawberry cheesecake cupcake sound particularly good. Maybe I will try it with some Splenda blend and low fat cream cheese. 1 of 1 people found the following review helpful. If you're gonna have cake...By DubbiaSome really good recipes all in one place. From the simplex to the exotic with mostly common ingredients. Most of the recipes are in the standard measure and some provide both, a very few have metric only. 0 of 0 people found the following review helpful. Waste of moneyBy Mattjazz10The kindle reading format of this book is off. The recipes are cut off. Waste of money.

Over 100 Stunning Cake and Cupcake Recipes If you are searching for a new, revolutionary cake book, yoursquo;ve come to the right place. This little book will give you information that, if you use it correctly, you will cakes like never before. I know it is hard to find a really good cake recipe and sometimes, it could be quite difficult. For me it was very hard to find a new recipe that would fit my tastes (I actually like cakes with a lot of syrup ndash; but this is just a personal taste) and almost all the recipes that I have encountered were using little to no syrup. That was quite disappointing for me. That was my struggle. With step-by-step instructions alongside handy hints and tips Cakes is a beautifully presented collection of recipes you'll want to bake time and again, including epic layer cakes such as Dark And White Cake With Mascarpone Caramel Buttercream, , Blueberry Cheesecake, Chocolate Ganache Cake as well as amazing cupcakes like Triple Chocolate Cupcakes, Espresso Cupcakes, Mocha Cupcakes and more.
