Anne Wilson : Cakes, Classic Essential before purchasing it in order to gage whether or not it would be worth my time, and all praised Cakes, Classic Essential:

4 of 4 people found the following review helpful. A Classic!By Paula CarrI recommend this book to anyone who loves to entertain. The cakes are so simple and easy to make with excellent step by step easy directions. Each recipe has a clear one page picture and useful tips on how to decorate. Which I really like so I can get an idea of how the cake should look and be decorated. This book is a great buy for the cake lover!
