From CAMRA Books : CAMRA'S Beer Anthology: A Pub Crawl through British Culture before purchasing it in order to gage whether or not it would be worth my time, and all praised CAMRA'S Beer Anthology: A Pub Crawl

through British Culture:

Roger Protz, in themed chapters and using easily digested quotations, demonstrates how deeply beer and pubs are woven into the DNA of British culture. The book runs the gamut of culture, from Eastenders to Dickens, and is ideal for the casual reader looking for beer-based entertainment or for the more studious one who wants to gather a sense of how Britain's national drink—and the consumption of it—have been represented in many media. Selections range from *The Winter's Tale* to *Far from the Madding Crowd* to *Dubliners*, and many more.

"This is a weighty handbook of excellence, written by one of the most knowledgeable people in the field."  
—Nicholas Lezard, *Guardian*
