**Roger Protz : CAMRA's Good Beer Guide 2013** before purchasing it in order to gage whether or not it would be worth my time, and all praised CAMRA's Good Beer Guide 2013:

was great at finding the nearest pub with good beer. However I like to eat at pubs also and there wasn't much information about what food was served and how good it was. Also, there are a lot of pubs not in the CAMRA book these days with good beer, especially in more remote places like the Isle of Skye.

Now in its 40th year, this guide is fully revised and updated with details of more than 4,500 locations across the UK serving the best real ale; from country inns to urban-style bars and backstreet boozers
