From CAMRA Books : CAMRA's Good Beer Guide 2014 before purchasing it in order to gage whether or not it would be worth my time, and all praised CAMRA's Good Beer Guide 2014:

0 of 0 people found the following review helpful. Good reference - too bulky to be useful when travelingBy ByronBBig heavy book - really too bulky to travel with. On recent trip to UK I used the CAMRA GBG smart phone

app more often than the book and the app was more convenient. If you want a great reference, this book is perfect. However, if you want to find a close pub for dinner beer when you out about, the app is the better solution.0 of 0 people found the following review helpful. A major hit!By Joyce94582I bought this guide for my beer-loving son as a Christmas present. It has hardly left his hands since! Not only has it piqued his interest in beer, but also in traveling to Britain to sample all the recommendations.0 of 0 people found the following review helpful. One StarBy Helen MannI received the 2013 good beer guide instead of the 2014 edition which I ordered. Not very happy.

Now in its 41st year, this guide is fully revised and updated with details of more than 4,500 locations across the UK serving the best real ale—from country inns to urban-style bars and backstreet boozers. More than just a pub guide, this is a complete book for beer lovers. Completely independent, with no entry fees for listings, it is revised and updated yearly by CAMRA's 150,000 members. Along with pub reviews and information, the guide has a unique Breweries Section that lists more than 600 breweries—micro, regional, and national—that produce real ale in the UK and the beers they brew. Pub entries give details of the beers served, food, pub history, architecture, transportation links, beer gardens, accommodation, disabled access, and facilities for families. Tasting notes for the beers, compiled by CAMRA-trained tasting teams, are also included. A full-color, 36-page features section at the front contains informative and interesting articles relating to beer, pubs, and brewing.

"The definitive rundown of the best places in the UK to get a pint of real ale, from cosy country inns to upmarket style bars."
