It has already paid for itself and has brought me back into the world of making family cakes as opposed to spending a TON at the Bakery! THANK YOU for a wonderful book!0 of 0 people found the following review helpful. Five StarsBy Me, Myself and IGreat help for the 4H'ers. Fast safe shipment. I took the Wilton Cake decorating classes and highly recommend this book for ideas.

"Celebrate with Fondant" is the first book to feature fondant done the Wilton way--using our exciting cake designs and step-by-step instructions.
