Leisure Arts : Celebrating Quick Breads and Pastries (Celebrating Cookbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Celebrating Quick Breads and Pastries (Celebrating Cookbooks):

A typical one used a pound of bacon and another a pound of sausage. Most recipes used canned produce or prepackaged doughs. Instead of celebrating quick breads, this book celebrates quickness. The only saving grace is some presentation ideas for gift giving with cute cupcake containers, baskets etc. that families might do together.3 of 3 people found the following review helpful. EASY DELICIOUS!!!By Cooking in MissouriWhat an absolute gem of a book! I love to bake and this book makes it so fun! The Sugarplum Tarts are so good and tasty, big hit with the in-laws, especially my father-in-law. My sister-in-law and I absolutely loved the Chocolate Bread Pudding Muffins, deciding whether to really share any with anyone else but we did. My husband loves bacon and the Bacon Batter Bread hit the spot for him, he refused to share with anyone else saying it was, "mine, mine, all mine". Being a lover of pineapple and pumpkin, the Pineapple Pumpkin Bread was great. I wholly recommend this book. The recipes are easy to read and understand, the results are fabulous, and you get great taste tester reviews from the family. Now they expect me to always show up with the bread items at family get togethers.0

Whether to complement a meal or to be a snack all on their own, quick breads and pastries are delicious family favorites. No one can resist the aroma of fresh-baked bread or the temptation of icing drizzled on top and luscious fruit fillings peeking out. In this mouth-watering collection from Leisure Arts, there are 75 sweet and savory quick breads, biscuits, muffins, turnovers, tarts, breakfast rolls, and other pastries. Recipes include the Cinnamon-Carrot Bread shown on the cover, plus Brownie Nut Bread, Bacon Batter Bread, Nutty Sweet Potato Muffins, Chocolate Bread Pudding Muffins, Easy Cheddar-Garlic Biscuits, Peach-Almond Scones, Cranberry-Apple Turnovers, Chocolate Cinnamon Rolls, Macadamia Nut Tarts, and more. All recipes are shown in up-close, full-color photographs, with complete ingredient lists and clear directions.
