A. L. Sadler : Cha-No-Yu: The Japanese Tea Ceremony before purchasing it in order to gage whether or not it would be worth my time, and all praised Cha-No-Yu: The Japanese Tea Ceremony:

0 of 0 people found the following review helpful. Amazing Book on the Japanese Tea CeremonyBy CindyJI'm still reading...thus far, I am amazed by the detail and beauty involved. Such a well written book. Also, the book sellers were excellent. A+ experience over all.6 of 8 people found the following review helpful. Not for beginners, great none the lessBy K. PorterI purchased this book thinking that it would be a very good source for beginners, it is not.

However this book is a **MUST HAVE** for more advanced tea ceremony practitioners. The book is very detailed and contains a vast wealth of knowledge and information. The book has a history section, and even goes into the various elements of tea gardens. Everything and anything I can think of is covered in this book, it's an amazing reference. If you are a beginner look elsewhere - this book is perfect for in-depth knowledge and research into the matter. 0 of 1 people found the following review helpful. Enjoy and drink a green elixir By Guillermo Rizzotto THIS book is really **SOMETHING BIG** when it comes to approach **TEA CEREMONY**. The first book about this is "the way of tea" by Okakura. But this, the second...written almost 30 years later...is really complete. Enjoy and drink a green elixir.

The Japanese tea ceremony, or cha-no-yu, is one of the last vestiges of an older, gentler era. Today, it resonates as a metaphor for ancient Japanese society. Exploring the ceremony, this book enlightens the reader to the intimate aspects of ancient Japanese philosophy, history, and culture.
