Janet Fletcher : Cheese Wine: A Guide to Selecting, Pairing, and Enjoying before purchasing it in order to gage whether or not it would be worth my time, and all praised Cheese Wine: A Guide to Selecting, Pairing, and Enjoying:

2 of 2 people found the following review helpful. Detailed cheese descriptors, not enough about creating a platterBy CATeachingI really wanted to like this book. It has a detailed analysis of each cheese but is severely lacking information on creating a cheese platter. It has an amazing amount of information on a cheese with a wine (but some entries directly contradict my cheese store's handouts). It just doesn't offer enough about what other pairings such as fruits, nuts and which cheeses go well together. Would have appreciated a type of board, layout guide, etc.0 of 0 people found the following review helpful. Wine Club Reference for CheeseBy CustomerA wine club reference book. Excellent suggestions and cross references. We gave as a gift for a drawing. Wish I had another.0 of 0 people found the following review helpful. Great gift for wine and cheese connoisseurBy DDThis is a great coffee table book with great suggestions for wine and cheese events. Whether it is your stress relief hobby on weekends or days off, or for guests. I used it as part of a themed gift for fathers day for my husband who recently became interested in wines. He loves cheese and the combination while watching games on weekends. I was planning just a cheese basket with cutting board etc... But found this and thought it was an ideal way to get him to truly appreciate the experience of wine and cheese. One of those things you would never buy for yourself, but neat to have if you are into wine and cheese.

From the best-selling author of *The Cheese Course* comes a new guide to enjoying one of the most basic yet sophisticated culinary delights: cheese and wine. Janet Fletcher leads readers on an international tour of 70 cheeses, exploring the best wine pairings and serving suggestions. From Oregon's autumnal Rogue River Blue to aromatic Brind'Amour evocative of the Corsican countryside, cheese lovers will savor the range of textures, flavors, and colors. Featuring mouth-watering color photography and detailed, informative text, this collection of cheeses and the wines that go with them will inspire perfect pairings.

"This book offers a profile of 70 cheeses, from Spanish Mahon to dry Monterey Jack, and each includes wines that would pair well with them. It's simple, easy to use and informative." —San Antonio Express-News, December 12, 2007

About the Author Janet Fletcher is a food columnist for the San Francisco Chronicle and author of several Chronicle Books cookbooks. Victoria Pearson's photographs have been featured in *Party Appetizers*, *Ice Creams*, *Sorbets*, and *Dinner Parties*.
