From Mary Goingback Chiltoskey : Cherokee Cooklore: To Make My Bread before purchasing it in order to gage whether or not it would be worth my time, and all praised Cherokee Cooklore: To Make My Bread:

3 of 3 people found the following review helpful. Perfect for getting to know your heritage or just educate yourself on history and culture!By Elizabeth F.Loved getting in touch with my heritage! Although the recipes are very simple and not incredibly descriptive, I love that it points me in the direction of my ancestors! Still want to make uwaga and grape dumplings!2 of 2 people found the following review helpful. Repetitive but interestingBy M SAnyone looking for insights into native American food customs is likely to find this booklet extremely repetitive, but otherwise interesting. On the other hand, anyone looking for recipes is likely to be very disappointed.3 of 3 people found the following review helpful. What a neat book!By Miranda StricklandIt's in such great shape, and the recipes are so interesting! I haven't used any yet, but I am looking forward to it, especially in the colder months when we need heartier meals!

Recipes, herbs, wild food, history and the feast.
