And this cookbook follows along with this diversity. Well worth adding to your collection of Italian cuisine!0 of 0 people found the following review helpful. Another good cookbook from Alice WatersBy Nancy BrownAnother good cookbook from Alice Waters! I'm enjoying using her creative ideas for pizzas as a springboard to making interesting combinations that use favorite toppings of my family and friends. Also, the pasta ideas using seasonal choices are most welcome and help me with my goal to eat more fresh, locally grown foods.0 of 0 people found the following review helpful. Five StarsBy C. MoschopoulosThe

cookbook is filled with some great recipes.

This classic cookbook brings together 87 recipes for pasta sauces and 36 pizza and calzone recipes, as well as tasty pasta doughs, such as buckwheat, red pepper and saffron. Featuring beautiful line drawings throughout, the book is a feast for the eyes as well as the palate.
