**Zoe Clark : Chic Unique Celebration Cakes: 30 fresh new designs to brighten every special occasion** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chic Unique Celebration Cakes: 30 fresh new designs to brighten every special occasion:

0 of 1 people found the following review helpful. Joining the 5-star chorus. By tachi1 This is my second Zoe Clark book and I plan to keep adding to my collection. I find her taste and decorating style, in general, similar to mine (though I wish I was up to her standards in quality of workmanship!). Her books are well photographed and the important (as in 'not-self-explanatory') steps are shown in closeup. Even in the cases in which she's decorating a cake I'm unlikely to choose or ever need to make, I pay close attention because I pick up great hints from her techniques. For example, her method of mixing and combining cutters to create different looks by cutting out the interior of a large

flower is worth the price of the book alone. This extends the use of the most insignificant cutter in your collection to have greater versatility. She routinely does things that would never have occurred to me and I love going through this book to see what I missed the last time--and usually find something!3 of 3 people found the following review helpful. Love it, Love it, Love it!By CindyZoe Clark has long been one of my favorite sugar artists, and this book confirms this fact yet again! Her use of color and technique is unsurpassed. The best part about her ideas is how she shows you how they can be adapted to your specific needs. Great book Zoe! Keep 'em coming!! :D0 of 0 people found the following review helpful. Fun ideasBy Elizabeth PhillipsSo many pretty designs! I may not make any of these, but this book is worth getting for the pictures!

Cake decorating is the perfect way to celebrate at any time of the year, and this book is packed with colourful cake designs for every occasion. It features 10 chapters, each with a stunning main cake design and two co-ordinating smaller treats, including cupcakes, mini cakes, cookies, fondant fancies and chocolates. Step-by-step illustrated instructions cover every essential technique, such as piping, stenciling and using cutters.

About the AuthorZoe Clark is one of London's leading cake designers, and her work regularly appears in the UK's bestselling bridal and sugarcraft magazines. Her cake designs have also featured on television and in films, and she has previously produced four boo
