0 of 0 people found the following review helpful. coffee table bookBy LadybugThis is a beautiful bargain of a book . Great mystical scenery and culture photography and writing of customs and traditions .It is very interesting and informative and gives an insight into this nations background and shows the resiliency of these great people.The recipes come with background descriptions and are clearly written and easy to understand . The pictures of the food areelegant and the food is superbly displayed , truely a treasure of a cook book .0 of 0 people found the following review helpful. Beautiful photography, makes a great coffee table bookBy RachelDo not be misled by the cover illustration...the photography in the book is stunning and it is filled with information about many different regions.0 of 0 people found the following review helpful. Chinese Cooking With Flavor and Meaning!By Get ItFood has always played a special role in Chinese culture. Authentic recipes from the Chinese culinary authorities of Beijing, Shanghai, Guangzdong and Sichuan are coupled with color photographs of each dish. Original recipes shared by Chinese chefs were recorded and translated for this book. Recipes made with poultry, seafood, beef, pork, grains, curd, vegetables or fruit have just the right amount of seasonings. The origin and traditions of the food are explained and easy-to-follow recipes are made with readily available ingredients. Accompanying text describes the characteristics of the food from

different regions in China and the traditional role these foods have played..This coffee table cookbook provides an informative, practical guide for the preparation of authentic Chinese cuisine.

For the first time, the pictorial beauty of the Chinese landscape is combined with a special collection of authentic recipes from one of the world's greatest cuisines.
