Ritota Had to get a new copy of this book as mine that is 30 years old finally was falling apart from overuse. 1 of 1 people found the following review helpful. cookbook By Heather Eades Arrived in very good condition I am very pleased with it Thank you very much I have used it already 0 of 0 people found the following review helpful. Nice new book to complete our collection By A. F. Perry My husband has other cookbooks in this series and loves the format...well written recipes and gorgeous appetizing photos. Other books are spiral bound and this one is not, but they may have been bound that way by the previous owner. It arrived in good time.
