Susan Jing : Chinese Cooking: Simple, Easy and Tasty Stir Fry Chinese Recipes -Take Out Style - Vol 1 (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Cooking: Simple, Easy and Tasty Stir Fry Chinese Recipes -Take Out Style - Vol 1 (Volume 1):

1 of 1 people found the following review helpful. OVERPRICED!By Rhynian M. ZhahandiOVERPRICED! This

book is 51 pages. Small text. No pictures. An introduction, 5 chapters, and a conclusion. Whatever concept this author had for a multiple volume set, it's not worth it. This is only "Vol. 1". Chapter 1 is one and a half pages worth of words. Chapter 2 is six recipes. Chapter 3 is six recipes. Chapter 4 is four recipes. Chapter 5 is four recipes. And the conclusion is four sentences long. The whole book feels like somebody was struggling to make a webpage as a school assignment and somewhere along the lines it got changed into a horribly designed, completely poorly thought out, little effort even put into, physical book. The last page includes the following: "If you enjoyed this book, then I'd like to ask you a favor, would you be kind enough to leave a review for this book on ? It'd be greatly appreciated!" "Click [HERE](#) to leave a review for this book on !" "Finally, if you would love to learn how to make some mouthwatering Japanese dishes, click [HERE](#)." Underneath this line of text there is a picture of another book by a different author entirely. This last page is literally a webpage, it's capital words of [HERE](#) and the underlining is actual links as to how they would look if you just printed out the webpage. I paid \$9.87 U.S.D. for this book. It's not worth that amount, it's barely worth \$5.00 U.S.D. 0 of 0 people found the following review helpful. Simply delicious recipes! By Customer I love chinese food, so buying this book was a no-brainer for me. Maybe it is because I have a chinese girlfriend. My favourite recipes are beef in oyster sauce and prawns in sweet and sour sauce. I recommend this book to everyone who loves chinese food. If Susan Jing publishes another chinese cooking book then I will definitely buy it because I am in love with this type of food. 0 of 0 people found the following review helpful. Chinese cookbook By Maria T. Pflum simple and easy to follow instructions.

Chinese Cooking: Simple, Easy and Tasty Stir Fry Chinese Recipes -Take Out Style Are you tired of ordering Chinese take-outs without knowing exactly what the ingredients are? Would you rather prepare Chinese stir fried dishes at home using fresh and healthy ingredients? Well then, this is the cookbook you're looking for! This cookbook will teach you how to easily prepare Chinese stir-fried meals that you so often order for takeout. Each recipe is guaranteed easy, with ingredients that you can conveniently find in any local grocery store (with a Chinese food section). Whenever you feel like whipping out that wok, all you have to do is choose from the collection of noodle, rice, vegan and vegetarian, chicken, red meat, and seafood stir fried recipes. Best of all, the recipes are good for two to three servings, so you can choose to cook for yourself and your partner, your friends, or for make-ahead meals. So go ahead and impress them with homemade Chinese cuisine straight from your kitchen.
