Su Hwei Huang : Chinese Cuisine (Wei-Chuan's Cookbook) (English and Traditional Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Cuisine (Wei-Chuan's Cookbook) (English and Traditional Chinese Edition):

The very first of Culinary Master Su-Hwei Huang's cookbook successes, this collection boasts a wide range of popular Chinese dishes. Individual sections provide clear guidance for utensils, cooking method, seasonings, vegetables, and

special ingredients used in Chinese Cooking. Many people are still discovering the wonders of Chinese cooking through this book and use it as a reference source.
