**Huang Su Huei, Nina Simonds : Chinese Cuisine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Cuisine:

15 of 16 people found the following review helpful. Excellent Chine CookbookBy Legend9NineI had to chuckle a bit at the first review that gave this one star. No, you won't find chop suey, chow mein, sweet sour pork, fried rice or any of the other slop that passes for "authentic" Chinese food. There's a great range of recipes here, from home style to banquet. If you want "chop suey," go buy some bean sprouts and celery and water chestnuts and have at it.

Book by Huang Su Huei, Simonds, Nina
