**Rh Value Publishing : Chinese Dimsum Recipes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Dimsum Recipes:

Beautiful, tantalizingBy Lily WinterThis is a very tantalizing book. Beautiful color pics. On every page, I thought could I do that? The book is obviously not written by a native English speaker, so perhaps that speaks to its authenticity. It walks you through an amazing bunch of specialty doughs and crusts including oiled dough, scalded dough, leavened dough and more. It also promotes homemade noodles aspart of many recipes, including homemade bean threads. Again, can I do it?As for the previous reviewer's lard and msg concerns, well, do your adjustments. This book was published in 1983!
