Wing K. Leong : Chinese Painting Step by Step before purchasing it in order to gage whether or not it would be worth my time, and all praised Chinese Painting Step by Step:

Wing K. Leong was born in China. A graduate of New Asia College, the Chinese University of Hong Knog, he majored in fine arts. He moved to the United States in 1962 and became a citizen in 1971. He continued to paint, maintained a Chinese Art Studio and a Chinese Art Gallery, and taught Chinese painting in many venues. Having specialized in art for many years, Mr. Leong has remarkable facility in rendering forms according to the conventions of Oriental painting. His brush strokes are bold, unhesitating, and clear. His compositions show originality. Based upon years of practice and teaching, Mr. Leong's book covers a broad area of subject matter. He shows step by step how to picture flowers, birds, insects, trees, rocks, animals, landscapes, and figures. This is a valuable book for the beginning student. (from the introduction by Lloyd J. Reynolds)
