This great book is a compilation of the most popular chinese style dishes of today which are commonly served at upscale buffets and high end restaurants across the nation. these delicious foods can be easily prepared at home and this book also includes my own two personal favorite recipes, honey walnut shrimp and restaurant style sweet and sour sauce. many other great recipes are also here including how to make fortune cookies at home. this book makes a great gift. 35 pages. <http://www.stevenschool.com>
