Thus far I have tried only two recipes, and both were a success. The Coconut-Lime version is a winner! If you are in the market for a biscotti book, this one should be high on your list. 7 of 7 people found the following review helpful. terrific tasting, and ones I earmark to make again By Diane Morgan I have cooked from all of Domenica's published cookbooks and consistently her recipes are stellar in clarity and direction, terrific tasting, and ones I earmark to make again. Ciao Biscotti is no exception. In love with the Fig Biscotti, Chocolate-Almond with Pistachios, and next on my list are the Coconut-Lime biscotti because I love mixing it up with unexpected flavor combinations. 5 of 5 people found the following review helpful. A great buy! By Just Me This book has so many nice recipes. From simple to more complex. Great instructions that anyone can follow.

Including the index, it has 144 pages. Towards the front of the book, is a listing of equipment ingredients that are needed to make all the recipes. I appreciate that the majority of this book are recipes.

Ciao Biscotti is a collection of 44 authentic biscotti from Italian cooking expert Domenica Marchetti. Studded with nuts, adorned with chocolate, or dotted with dried fruit, biscotti, Italy's unique twice-baked cookies have a crunchy, toasty, enduring appeal. Perfect for dunking into coffee, tea, or Vin Santo, they're easy to make; and transform a simple bowl of ice cream or sorbet into a special dessert. With savory ingredients swapped for the sweet ones, biscotti are a delicious accent to a cheese platter. Nibble on traditional flavors such as Hazelnut or Anise, coffeehouse neo-classics like Christmas Cranberry-Pistachio, tempting new versions such as Browned Butter and Toblerone, or savory ones, including Mountain Gorgonzola and Walnut, and taste the perfection of a classic cookie. Ciao biscotti!
