**Sarah Stephens : Cincinnati's Brewing History (Images of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cincinnati's Brewing History (Images of America):

3 of 3 people found the following review helpful. A great book to read while drinking a beer.By B. PriceHaving grown up in Cincinnati, I was familiar with some of Cincinnati's brewing traditions. This book is a fantastic tome highlighting the well know historic brewers of Cincinnati like Hudy and Christian Morlein as well as a number of additional breweries and beer gardens in OTR and the West End that were around in olden times.The collection of photographs, commercial artwork, and detail of their history is done very well. It's definitely worth having if you want to know more about Cincinnati's history, and if you enjoy a bit of the drop.0 of 0 people found the following review helpful.

Enjoyable and fun to read  
By Customer  
This was a Christmas gift for a out of town relative. Very happy with gift. Book quality is excellent. Pictures are great. Other books in this series are very good.  
0 of 0 people found the following review helpful. Great for local history buffs  
By Roger Webster  
Another one of several local history books and another hit

Dating all the way back to 1812, the history of brewing in Cincinnati is a long and illustrious narrative. In the mid-19th century, the Queen City's rapidly expanding German population definitively transformed the industry, making Cincinnati one of the nation's foremost brewing centers. Principally based in the vibrant Over-the-Rhine district, the golden age of brewing in Cincinnati saw the creation of architecturally spectacular brewery structures, a proliferation of related industries, as well as an abundance of saloons and beer gardens. The enactment of Prohibition crippled this formerly booming industry, however, and although local brewers returned to revive their trade following the repeal of Prohibition, the industry would never regain its former prominence. These days, Cincinnati's brewing culture is experiencing a multifaceted renaissance with a promising outlook. Cincinnati's Brewing History offers a concise overview of the history of brewing and beer culture in the region through vintage and contemporary images, as well as brewing collectibles.

About the Author  
Sarah Stephens is a Cincinnati resident and member of the Over-the-Rhine Brewery District Community Urban Redevelopment Corporation. She obtained a master's degree in art history from the University of Cincinnati and is a regular arts and entertainment contributor to several local print and online publications.
