Kudos! 1 of 1 people found the following review helpful. Have many indian cookbooks, and I keep coming back ...By Customer Have many indian cookbooks, and I keep coming back to this one for the simple but tasty vegetarian recipes. They are not overspiced and don't have

too much oil. The terminology is not for beginners and you must be somewhat familiar with indian cooking. But, this book seems to help me create pure, focused, and tasty recipes.

A collection of hundred Indian curry recipes with their regional variations.
