Love this bookBy mom of picky babyI gave a daughter allergic to soy and I haven't found a store version of Oreos or sandwich cookies without soy so this book gave us the answer. My 11 yr old made cookies without much supervision using the cookbook which were gone quickly and already picked out the next creation. Love this book!!0 of 0 people found the following review helpful. Who can resist a freshly baked cookie, still warm from the oven? Cookies are simple treats, easy to make, and perfect for almost any occasion, from an after-school snack to a thank-you gift, from bake sales to potlucks. For cookies that are delicious every time, look no further than recipes that have stood the test of time. This "best" collection includes classic favorites, like Snickerdoodles, buttery shortbread, and Peanut Blossoms, along with their modern twists, Cappuccino Snickerdoodles, Rosemary Chocolate Shortbread, and Peanut Butter and Jelly Blossoms. These fresh takes on best-loved cookie jar classics will have you falling in love with your favorites all over again.

"Classic Cookies" celebrates the tried and true, but also brings a bit of freshness to old standards, like Orange Caraway Shortbread or Apricot Almond Macaroons." —Cookbooks 365
