**Yasuko Fukuoka : Classic Japanese: Over 90 simple and stylish recipes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Japanese: Over 90 simple and stylish recipes:

0 of 0 people found the following review helpful. This book is a smaller version of the Emi Kazuko's ...By BakerThis book is a smaller version of the Emi Kazuko's cookbook "Japanese Cooking.". That means all the recipes and ingredient listing are word for word the SAME as the one from Emi Kazuko's though Emi Kazuko's book has little bit more recipes. I don't understand why they would publish this book with a different author with the exact same recipes word for word. Very misleading.

Combining flavor with beauty, the recipes range from simple miso soups to elegant raw fish sashimi. The selection of 90 classic and innovative dishes covers all the components of a traditional Japanese meal: rice and sushi; soups and noodles; vegetables and seaweed dishes; beans, tofu and egg dishes; fish and shellfish; poultry and meat recipes; and

also some delectable desserts. In this fabulous guide, each dish is presented with care and delicacy, and stunning photographs along with illustrated step-by-step techniques show how you can achieve success every time.

About the Author Yasuko Fukuoka was born in Tokyo and established herself there as a successful musician and composer. Numerous nation-wide concert tours in Japan provided Yasuko with the opportunity to gain extensive knowledge and appreciation of regional Japanese food. Since moving to England, Yasuko has expanded her field of work to include journalism and multimedia creation.
