Junior League of Denver : Colorado Classique before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado Classique:

One of the reviews I read dissed the book because it contained no new recipes, but I really appreciated the additions to some of the old favorites. Nutritional info was welcomed and the index categories ("family friendly" "freezes well" "make ahead" "quick fix" etc) are great! The photos are gorgeous and even though my efforts never look as good as the picture, they never disappoint! Its a beautiful, well thought out book. 0 of 0 people found the following review helpful. mothersday gift By Dick Slapperman lots of pics, substantial feeling book 0 of 0 people found the following review helpful. My favorite cook book By Sheri Hoffman Best cook book ever. Every recipe works and they list the calories, carbs, etc too. Lots of photos and no hard to find ingredients. I've bought at least 10 of these and given them out to friends.

Colorado Classique features a collection of recipes from the casual Apres Ski Beans to the elegant Truffled Gnocchi, beautiful photography, and a Colorado restaurant chapter. This most recent cookbook introduces beer flavor profiles provided by Boulder Beer Company, Colorado's first microbrewery. You'll learn whether a pilsner or malt would be

the perfect match for your meal. If you prefer wine, The Vineyard Wine Shop has provided wine pairing suggestions including details about why a particular wine will compliment your recipe. Enjoy! The book is certified environmentally conscious by the Forest Stewardship Council.
