Emily Hutto : Colorado's Top Brewers before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado's Top Brewers:

2 of 2 people found the following review helpful. Great Book Covering Breweries That Epitomize The Colorado Craft Beer IndustryBy Raylan GivensThis is a fantastic book covering a number of the bigger breweries in Colorado, specifically chosen to identify why Colorado has become the Napa Valley of beer! I love the write-ups of the breweries themselves and the recipes and pairings in the book are fantastic! Definitely recommend this for any beer enthusiast or cook or as a gift for one!0 of 0 people found the following review helpful. Five StarsBy GusGreat book! For people who like to eat and drink.0 of 0 people found the following review helpful. Five StarsBy jbGreat book!

There are lots of great craft beer cities across America, but Colorado is the one state that can boast more awesome craft beer cities and towns than any other. (It s also the only state to have a former craft brewer for its governor!) Right now, there are more than 170 working breweries in Colorado, with an estimated 50 more in development. And the growth doesn t look like it s slowing. There s a craft beer fever spreading across the entire state! Denver and Fort Collins have long been the hubs of the state s craft beer scene, but they are now being rivaled by Boulder, Colorado Springs, Breckenridge, Longmont/Lyons, and up-and-comers like Aurora, Greeley, Ridgway, and Poncha Springs. Breweries in all these places are doing exciting things by re-interpreting classic styles, experimenting with flavors and yeasts, and developing innovative ways to manufacture, package, and reduce their impact on the environment. Colorado brewers all over the state share a distinct passion for creativity, a true dedication to craft, and a boundless

energy. This book is a tribute to their outstanding work.

The diversity of beer styles and brewing techniques are world class. Colorado brewers are truly pioneers they re what makes Colorado the state for craft beer. From the Foreword by John Carlson Executive Director, Colorado Brewers Guild --John Carlson, Executive Director, Colorado Brewers GuildAbout the AuthorEmily Hutto cultivates her affinity for fermentation with journalism. She's spent her writing career covering craft beer culture, small-batch distilleries, and food pairing for a variety of lifestyle magazines and travel publications. She's a cicerone-in-training, a Certified Sakeacute; Specialist, and a connoisseur of rye whiskeys. Currently occupying her time is a love affair with farmhouse yeast. You can get a taste for her ethnography at emilyhutto.com.
