**Jean Pareacute;** : **Company's Coming for Christmas (Special Occasion Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Company's Coming for Christmas (Special Occasion Series):

First published in June 1996 and has sold nearly three-quarters of a million copies. These classic recipes resound with each new generation that wants to put tasty, festive food on their tables for the holidays. Jean's favorite recipes for appetizers, soups, salads, mains, desserts, pies, and cakes are augmented with her classic table setting ideas, helpful party planning hints, and great food gift ideas.

Company s Coming, if you need a reminder, is a genuine Alberta success story...Company s Coming has sold over 27

million cookbooks since founder Jean Pare published her first book, 150 Delicious Squares, in 1981. Liane Faulder Edmonton Journal "About the Author The Jean Pare Story - Since 1981, Albertans have shared their love of Jean Pare (pronounced "PAIR-ee") and her crowd-pleasing recipes with the world. For eighteen years before that, Jean Pare earned a place in the hearts of her fellow townspeople in small-town Vermilion, Alberta, as the caterer who was most often asked: "Jean, will you handle it?" From 1963 until her first cookbook was published in 1981, catering filled Jean's schedule. Operating from her home kitchen, she made a practice of always offering a wider selection of dishes than was expected by her customers. With the help of many hands and long lists, Jean could serve over a thousand people a hot roast beef dinner within 20 minutes. The inspiration for Jean Pare to create the Company's Coming cookbook series came to her from the empty plates that followed every catering function, coupled with an outpouring of requests for her recipes. April 14, 1981, marked the debut of 150 Delicious Squares, the first Company's Coming cookbook in what would soon become Canada's most popular cookbook series. As the creative force behind the series, Jean released a new title each year for the first six years. The pace quickened and now at least eight or more are published each year. Sincerity and trust come through in every one of Jean's recipes. Today, as an internationally acclaimed cookbook author, she takes the time to personally answer every one of the many letters she receives from followers around the world. On radio interview programs, switchboards light up with calls from well-wishers and questions from people who have faith in her answers. Jean's positive attitude, warm personality, and impressive record of accomplishments made her a perfect role model during her catering days, and now continue to keep her in high regard as Canada's most popular cookbook author. So what do people really think of a lady who has sold over 30 million cookbooks? In short, people can relate to the small-town homemaker who went on to fame and fortune without compromising her values or her good taste.
