**Movember : Cook Like A Man** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cook Like A Man:

I loaned my original version to a friend because I thought she would like it. I ordered this one because I've been dying to try the lamb belly dish. The only thing that I have found difficult was the availability of ingredients in the U.S. and especially in the town I live. Cooking with a scale is much better though, I wish I had more metric recipes.0 of 0 people found the following review helpful. Great buyBy Elizabeth DorothyI gave this to my fianceacute; for Christmas and he loved it! Made a couple recipes so far and they've all turned out great. Awesome buy for a man who likes to cook.
